

# Play gear is needed for busy Beavers

**ON THE GO:** Energetic members of the 18th Bolton Beavers are in desperate need of play equipment

THESE lively young members of the 18th Bolton Beavers are hoping the Make It Happen community awards will make play-time even more fun.

The Bolton Evening News has got together with Combined Insurance to share out £10,000 between organisations across the borough and the Beavers could be among the lucky recipients.

Their scout group, based in Horwich, has 18 Beavers, 18 Cubs and 12 Scouts with hard-working leaders and volunteers.

But the group is still recovering from a fire which destroyed their headquarters and all their equipment a couple of years ago.

Beaver Leader Alison Anderton said: "Play equipment would be something all the group could use and would be an excellent way to keep them all occupied."

The only criterion for the Make It Happen Community Awards is that applicants help their local community.

Entries close on Friday, October 29. So, send in your applications by letter to: MAKE IT HAPPEN Community Awards, Angela Kelly, Features Dept, Bolton Evening News, Churchgate, Bolton BL1 1DE, or email akelly@boltoneveningnews.co.uk

Awards to the lucky recipients will be made at a presentation evening next month. Watch out for details in the Bolton Evening News.

has brought them another building but they are still desperately short of play equipment, including footballs, hockey sticks, goalposts, skipping ropes, cones, cricket equipment and indoor games.
